

**Dear Payer: please forward this email to your Senior Executive Officer**

As you will by now be aware, the Dubai Health Insurance Law Number 11 of 2013 has been enacted. As regulator of health insurance services in the Emirate of Dubai, Dubai Health Authority invites the senior executive officers from every insurance company and TPA to attend a meeting where we will explain the law, its implications and its implementation as well as provide executives the opportunity to present questions and receive responses.

This meeting is specifically for insurers and TPAs and is one of a series of meetings DHA will be holding with all health care stakeholders as part of its broader initiative of communicating effectively and unambiguously with all market participants.

The meeting will commence at 10am on Thursday 5<sup>th</sup> December in Dubai. The exact venue will be communicated shortly.

This meeting is strictly limited to attendance by your company's senior executive officer (be that in the position of CEO, General Manager or Managing Director or your deputy) plus one other delegate from the management team of his choosing. Please make sure to forward this invitation to him.

Please respond with confirmation of attendance and names of attendees using the process below:
