

Dear Payers,

GDRFA Error Report Format Update

There has been an update to the GDRFA error report format, generated with the Member Register bulk upload functionality.

The new report format is as follows:

```
<Members>
<Member>
<UIDNumber>123454321</UIDNumber>
<MemberId>12345</MemberId>
<GdrfaStatus>Success</GdrfaStatus>
</Member>
<Member>
<UIDNumber>543211234</UIDNumber>
<MemberId>54321</MemberId>
<GdrfaStatus> Failed </GdrfaStatus>
</Member>
</Members>
```

Documentation:

[Member Register Bulk Upload Document](#)

- This document has been updated to include the new report format
- The document is available for download on eClaimLink > DHD > Documentation

Best Regards,

Information Desk Officer
