

Dear eClaimLink Payers,

New eClaimLink Transaction: MemberRegister

Soon you will be receiving a **General Circular Number 6 of 2015 (GC 06/2015)** sent by the Dubai Health Authority - Health Funding Department addressing the "Enforcement of the Health Insurance Law as it applies to resident expatriates by linkage to the visa application system". Based on this circular, as of **01 October, 2015** the current PersonRegister transaction will be expired and will be replaced with a more comprehensive transaction called the **MemberRegister** which aims to improve the quality of the submitted data for Dubai's insured population.

New MemberRegister Details:

- You will be able to find the technical details and field definitions for the MemberRegister transaction on the eClaimLink website \ DHD page (please log in for access):
 - Workflows > MemberRegister: [direct link](#)
 - Schema > Transactions > MemberRegister: [direct link](#)

DHA is giving Payers a 3-month transition period to begin uploading their member data using the new MemberRegister template: **As of 01 October, 2015, all Payers must be registering all their members using the new MemberRegister structure through the DHPO web-services.**

Best Regards,

Information Desk Officer
