

**Dear eClaimLink User,**

We are glad to bring to your attention the latest updates on the eClaimLink project:

**e-Prescription Initiative:**

- A circular has been announced by the Dubai Health Authority – Health Funding Department to explain the details of the e-Prescription initiative.
- The circular can be found on the Dubai Healthcare Data Dictionary (DHD) menu under the Documentation section, in the eClaimLink Circulars box.
- Circular title: **ePrescription Initiative Circular 20130515 (EN)**. To view the direct link, [click here](#).

**Main highlights of the Circular**

- e-Prescription Initiative launch in the Emirate of Dubai.
- Timelines and milestones for voluntary and mandatory e-Prescription implementation dates.
- Emphasis on DHA's mission to establish Dubai as the Emirate with the highest standards of Healthcare in the region.

**e-Prescription Initiative Technical Specifications:**

- A document comprising the technical specifications for e-Prescription is now posted online for review.
- The document can be viewed on the eClaimLink website, under the ERX menu.
- Document title: **eRx Technical Specifications (v1.0 - for review)**. To view the direct link, [click here](#).
- Please reply with your remarks and suggestions by May 30, 2013 at [technical@eclaimlink.ae](mailto:technical@eclaimlink.ae).
